

## get started

*This Design Guide will provide you with the tools to easily measure your space. Using the information you provide, we will create a design and quote in a timely manner. For your peace of mind, if you decide to move ahead with a project we will enter your home to double check all measurements before any order is placed.*

### **What does Maplegrove Home Hardware bring to the table?**

- 1. Functionality. We will take your current space and cater it to your needs and wants. From Pantry Pullouts to Lazy Susans, we have your organizational solutions*
- 2. More storage without more cabinets. We recommend that wall cabinets are a depth of 13" rather than the standard 11.75" depth. This means more room for your plates and glassware.*
- 3. Quality Cabinets to fit any budget. From Melamine to MDF to Solid Hardwood, we have a price point to fit your needs.*
- 4. Superior Customer Service that separates us from our competitors*
- 5. Fast, Free Designs. We will work with you to create your dream kitchen and give you expert advise on how to maximize your space.*

DOOR STYLE

# keelie

Keelie is a shaker inspired door featuring a stepped inside profile. This picture frame like detail provides clean modern lines with a sense of history at the same time.

Design  
GUIDE

**How to Measure a Room:**

- ✓ To begin, draw an outline of the room
- ✓ Measure and record the ceiling height
- ✓ Measure and record all wall lengths
- ✓ Measure and record the size and location of doors and windows, recording their height and width from **outside edge to outside edge** of frame.
- ✓ Identify and note existing plumbing, electrical and lighting on all walls
- ✓ Record measurements and placement of any appliances
- ✓ Note locations of ventilation and duct-work on your drawing
